

Programme Controller – Brynley Stone.

Another year has gone already, and as programme controller I would like to thank a few people, who have helped me. Namely Steve and Charlie of course, as well as Lesley and Neil.

We've had a really good year, culminating in the 18th birthday celebrations which were an absolute success and were really well attended, and it was great to see so many members adding to the numbers who turned up and made the night a winner. Thanks also to Frank for his help and guidance on the evening itself.

One of my main priorities will be to obtain sponsorship for the station and to try and unburden the station from having to pay for things like the telephone costs we incur when we bring the live football to our patients, and I would love to try and get every programme sponsored.

We have a fete in Barry in the summer and I have spoken to Steve with regard to a fete of our own to be hopefully held at Rookwood also in the summer but more of that when we have sorted it out.

We have had a successful all request day not to long ago and we will continue to hold these great fund raising events and we always will need people to help us with that.

Finally thanks to all those who regularly help us when we hold station events, but, once again lots of presenters will not put themselves out and help.....this must change and I hope it will.

So as we face the future I look forward to chatting to you all and if anyone has any problems..... please see STEVE....All of the committee are available if any of you have problems, so contact us if you do need help.
